

TESTING CHANGES

Effective immediately, **RACING QUARTER HORSES** seeking entry into Arapahoe Park will, along with a valid health certificate within THIRTY (30) DAYS before the arrival date at Arapahoe Park, be required to present proof of a negative Coggins dated within TEN (10) DAYS before the arrival date as well as a negative test result for Equine Piroplasmosis within THIRTY (30) DAYS before the arrival date. Piroplasmosis tests MUST include results for BOTH types of protozoa: *THEILERTIA EQUI* and *BABESIA CABALLI*.

THOROUGHBREDS are still required to present a valid health certificate within THIRTY (30) DAYS before the arrival date at Arapahoe Park and negative Coggins test that is valid within ONE (1) YEAR before arrival.

Additionally, **ALL HORSES REGARDLESS OF BREED** that have left the grounds and are SEEKING RE-ENTRY into Arapahoe Park will be required to present proof of a negative Coggins test dated AFTER the departure date from Arapahoe Park and no more than TEN (10) DAYS before the re-entry date. **ALL HORSES** must also obtain a NEW set of test results for Equine Piroplasmosis dated AFTER the departure date from Arapahoe Park and no more than THIRTY (30) DAYS before the re-entry date.

****A NEW health certificate carrying these negative test results will be required upon re-entry****

Please make sure that the necessary tests are performed prior to arriving at Arapahoe Park. No horses will enter the grounds without the above testing having been performed and without proper documentation. **Should anyone bring horses to the racetrack without the proper test results, that person and his/her horses would be turned away and not allowed to access the grounds.**

NOTE: please refer to the Racing Division website for updates on new health requirements as well as other information. Visit the site at: <https://www.colorado.gov/pacific/enforcement/racing>
