## TRACK RULES

### PREFERENCE DATES SYSTEM

All foal certificates, paper or digital, must be deposited with the Racing Secretary within forty-eight (48) hours after arrival. Foal certificates will not be accepted during entry hours, nor will transfers, bills of sale, etc., be done until after the draw. Trainers are advised to contact the tattooers for the dates and times for tattooing. The purchase, claim or transfer of any horse stabled on the grounds, whether by private sale, public sale or public auction, does not guarantee the new owner a stall for such horse. Arapahoe Park reserves the right to allot stalls. All horses must be completely qualified in all respects before being entered in any race. Noncompliance will result in the horse(s) being denied entry and the trainer will be subject to a fine.

Horses will not be eligible to receive a preference date until the foal certificate is on file in the Racing Secretary's office, and will receive a preference date of the next entry day on their date of filing. Preference Dates will be good for 45 days.

Entry dates will have preference over a running date of the same date.

Each day's overnight will list the horses which drew in to a race, enabling trainers to see what dates are getting horses into over-filled races. Trainers are responsible for dates; preference date must be claimed at time of entry.

In overfilled races, preference will be given to horses in order of their assigned preference date, earliest date first. Horses having identical dates will be chosen by lot.

Winners are preferred in all winners races.

Trainers which enter two horses in the same race must prefer the horse that has the best chance of drawing into the race.

Preference dates will not supersede the conditions of the race (derby eligibles preferred, high weights preferred, etc.).

Any horse which is scratched shall lose its date and must re-enter to establish a new date an exception may be made when, in the opinion of the Stewards, a horse would be unduly penalized.

All horses placed on the Stewards, Veterinarians, Starters, Paddock or Identifiers list will be posted on the official bulletin board and may lose their date.

The Racing Secretary or Board of Stewards reserves the right to withdraw or scratch any horse, which in their opinion will not qualify for the race in which it has been entered.

Foal certificates removed from the office by the trainer for any reason will automatically cause the horse to lose its date. Foal certificates sent for correction, changes of ownership, breeders stamp, etc., by the Racing Office will not constitute removal from the office and the date will not be lost. Any Colorado Bred race which fails to draw at least six entries by 9:45 will be opened with Colorado Breds preferred.

At least one Colorado Bred race will be used per day if six separate betting interests are entered.

In all thoroughbred races, fillies and mares, three years old and older will be allowed five (5) pounds in open races. Fillies, two years of age, will be allowed three (3) pounds.

In no way does the claiming, change of ownership, or change of trainer affect the preference date of the horse involved.

A starter's fee of three dollars will be charged for each start that an owner has at the 2020 meet.

Prior to entry, the owner of a horse is required to have on deposit with the Horsemen's Bookkeeper sufficient funds to cover the expense of starting that horse. Failure to meet this requirement will result in horse being scratched.

**All monies remaining in the horseman's bookkeeper account, except monies on hold, shall revert to the purse account on December 31st of the same year.**

### SCRATCHES

The declaration of a horse out of an engagement is irrevocable. No horse entered in an overnight event, will be excused from racing unless upon the Veterinarian's certificate of unfitness, or for other cause acceptable to the Stewards. Horses in stakes or

(continued on next page)

handicaps (including trials) must scratch no later than forty-five (45) minutes prior to post time of the race.

All scratched horses that result in a field size of less than six will be on the vets list for a minimum of six days.

All trainers entering a horse in any given race shall, at the time of making such an entry, name the jockey for said horse.

In the event riders are not named for all carded horses within one hour after the draw, the Stewards shall name riders for all horses with riders unnamed.

A jockey engaged to ride any horse is bound to fulfill his engagement unless excused by the Stewards. Should a rider become injured or ill on the way to post or at the gate, and the Stewards designate a substitute rider, such a rider will fulfill the order of the Stewards and complete the engagement of the horse.

## **WORKOUT & QUALIFYING RULES**

### **NON-STARTERS**

A non-starter must have within sixty (60) days of entry at least two (2)\* workouts recorded by an official clocker and posted with the Racing Secretary *prior to entry and be gate approved*. It's recommended that non-starters have at least three (3) workouts prior to entry. A non-starter is a horse which has not started a race at a recognized track.

\* - For Quarter horses - one (1) of these works must be from the starting gate at a distance of at least 220 yards in a time of :14.00 or better. For Thoroughbreds - one (1) of these workouts must be from the starting gate, and all official works must be at least 3/8 mile. It is recommended that at least one (1) Thoroughbred workout be at a distance of 1/2 mile or further. All non-starters must be Gate Approved before entry.

### **STARTERS**

Any horse which has started, but not within sixty (60) days, must have at least one (1) workout within sixty (60) days prior to entry. Horses that have not started within six (6) months of scheduled race date must have at least two (2) approved workouts within the sixty (60) days prior to entry.

## **870 & 1,000 YARD RACES**

Quarter Horses and Thoroughbreds entering in 870 or 1,000 yard races that have never run in a race around the turn, must have one (1) official workout of 660 yards or better before entry. It shall be the responsibility of the trainer to establish to the satisfaction of the Stewards that these provisions have been satisfied.

## **SHIP INS**

Under no circumstances should any horse be shipped to Arapahoe Park without first securing arrangements with the Stall Superintendent. Horses shipped in to race will be assigned a stall in the receiving barn, and these horses must report to that stall only - No Exceptions.

Any horse entered for racing must be present on the grounds at least 48 hours prior to the post time of the race they are entered in.

## **WEIGHTS**

Owners, trainers and duly authorized agents must be careful to claim allowances at the time of entry, and state penalties, and are solely responsible if a horse starts with the incorrect weight and is, therefore, disqualified. Except to correct an error, no alterations shall be made to any entries after the time of closing.

Penalties are mandatory. Horses which are penalized in a race may not receive any allowances in such a race.

Horses not eligible to receive the first allowance may not receive the second, and if not the second, then no subsequent allowances.

## **COUPLED ENTRIES**

A trainer may not enter more than two (2) horses in any overnight race. When a trainer enters two (2) horses for an overnight race, a preference must be expressed. First preference must be given to the horse with the best preference date. In no case may any two (2) horses under the same ownership or trainership be drawn into an overnight race to the exclusion of a single interest.

## **FEED, TACK, & BEDDING**

Owners and trainers may bring in feed and hay to their respective barns for their own use.

## TRANSFER OF OWNERSHIP

All registration certificates and leases of horses must be filed with the Racing Secretary in a timely manner.

The purchase, claim or transfer of any horse on the grounds of Arapahoe Park, whether by private sale, claiming or public auction, does not guarantee the new owner a stall for such horse.

Arapahoe Park reserves the right to allocate stalls. Any change in ownership or trainer after a horse is registered in the Racing Office must be done with the permission of the Stewards before such horse is entered to race for its new owner or trainer. Claimed horses excepted.

**All claimed Horses must have a Colorado Brand Inspection before transfer of ownership is complete.**

## CHANGE OF EQUIPMENT

At the time of a horse's first entry for a racing season, all persons authorized to enter a horse shall be responsible for entering with the correct weight, medication and all published equipment to be used. Any changes in medication or equipment from that time forward shall be the responsibility of all persons authorized to enter a horse and must be approved by the stewards or racing official designee.

A horse's equipment shall be recorded by the paddock judge when the horse is brought to the paddock for its first race at the meet. A change in equipment from what a horse carried in its last previous race may not be made without the consent of the paddock judge prior to the time the horse is due in the paddock.

Before a horse can race in blinkers, it must work out with blinkers to the starter's specification. Once racing with blinkers, it must work out to the starter's satisfaction without blinkers before it is permitted to race without them. The public shall be notified of any change in the use of blinkers.

## COGGINS TEST/HEALTH CERTIFICATES

Contact Arapahoe Park before shipping to get the latest information as to what documents are required for entry into the stable area. It is the recommendation of the CRC that all horses entering the stable area be vaccinated for all pertinent diseases.

All horses shipping to Arapahoe Park must be accompanied by a Health Certificate issued within 10 days of arrival. All horses must have a current negative Coggins test dated within the last year. Any horse leaving the Arapahoe Park backside will be required to have a new health certificate upon re-entry.

They must be injected by a practicing veterinarian, licensed by the Colorado Racing Commission or administered orally by a veterinarian or trainer 24 hours before its scheduled Post Time. Under no circumstances shall a horse be allowed to have more than one non-steroidal anti-inflammatory drug (NSAID) in its blood and/or urine, unless otherwise approved by the Commission veterinarian, in special circumstances only, in which Phenylbutazone must be less than 1 mcg.

7.207 - (Added Effective date May 15, 2017) At the time of entry, the authorized person submitting the entry is responsible for the participation of the horse into the published race as provided by the Racing Secretary. If a later declaration of a horse from a carded race, other than a veterinarian scratch, is received, the authorized person submitting the entry may be subject to administrative action.

The Colorado Racing Commission is in the process of adopting new medication rules, and procedural rules to comply with Racing Statute. All adopted rules by Colorado Racing Commission shall be published in the 2020 Division of Racing Events Trainers Packet.
